**RE: Bayonne Barrel and Drum Site
Supplemental Soil Investigation**

Dear Mr. Cosentino:

Enclosed please find three (3) copies of the Soil Investigation Report Addendum for the referenced site prepared by Quest Environmental and Engineering Services, Inc. The supplemental investigation was performed in accordance with EPA's approval of the Work Plan Addendums, and pertains to sampling that was conducted in the area of the buildings on site.

Please note that the STL lab data packages are presented on CD-ROM instead of hard paper copies.

Very truly yours,

de maximis, inc.

William J. Lee
